Lancaster Educational and Alumni Foundation

The Lancaster Educational Alumni Foundation (LEAF) would like to take this opportunity to introduce you to our not-for-profit organization. The mission of LEAF is to:

- *provide financial support to academic, athletic and extracurricular support for the students of the Lancaster Central School District.*
- *enhance educational opportunities for the students of the Lancaster Central School District by funding projects that are characterized by creativity and innovation and that require support beyond traditional resources, and*
- *build a bridge between the students of the Lancaster Central School District and the alumni and community members who will work to promote LEAF and its endeavors.*

Our board is made up of community members, residents, and alumni and during the year we do many fundraisers to help support these activities. We are now seeking your support of a voluntary donation, which will directly impact our ability to support the students of the Lancaster Central School District. All monies collected from the **LEAF Membership Drive** will go toward financing activities that benefit the students in the Lancaster Central School District. In return, you will be notified of all member activities and receive regular member updates.
